I. PURPOSE

The State of New York, through the New York State Deferred Compensation Board (the “Board”), is seeking formal written proposals from financial organizations to provide Target Date Fund Management Services for the New York State Deferred Compensation Plan (the “Plan”).

To be eligible for selection, the financial organization must be an organization duly authorized to do business in the State of New York which is (i) registered as an investment advisor under the Investment Advisors Act of 1940, as amended; or (ii) a bank, as defined in that Act; or (iii) an insurance company qualified under the laws of more than one state to manage, acquire or dispose of any assets of plans which meet the requirements for qualification under the Internal Revenue Code, governmental plans and eligible state deferred compensation plans.

This Request For Proposal (“RFP”) is divided into six sections. The sections include (I) Purpose, (II) Background, (III) Product Design Requirements, (IV) Timing and Procedures Governing Submission of Proposals, (V) Selection Process and (VI) Conditions.

The RFP also includes four Appendices that must be included in a respondent’s proposal for it to be considered complete and receive consideration:

1. Appendix A, Contract Questionnaire (RFP Questions)
2. Appendix B, Diversity Statistics Grid
3. Appendix C, Vendor Responsibility Questionnaire
4. Appendix D, Application for a Competitively Bid Contract (Form ADM-28)

The Request for Proposals also includes the following exhibits:

- Exhibit A: Standard Clauses for all New York State Contracts
Exhibit B: Affirmative Action/Equal Employment Opportunity/Non-Discrimination Policy

- Exhibit C: The Plan’s Procurement Guidelines
- Exhibit D: Plan Assets by Investment Option
- Exhibit E: Client Account Breakdown
- Exhibit F: Policy and Guidelines for Implementing the New York State Procurement Lobbying Law, Sections 139-j and 139-k of the New York State Finance Law
- Exhibit G: Iran Investment Policy

Pursuant to the guidelines in Section IV, the designated contact persons for this contracting opportunity during the restricted period will be Thomas Shingler and Hannah Vieira, Callan.

II. BACKGROUND

The Plan is intended to satisfy the requirements for an eligible deferred compensation plan under Section 457 of the Internal Revenue Code of 1986, as amended (the “IRC”) applicable to governmental employers described in Section 457(e)(1)(B) of the IRC (“Section 457 Plan”). As such, amounts of compensation deferred under the Plan, including any income attributable thereto, will not be included in the gross income of Plan participants until the taxable year or years in which such amounts are actually distributed to the participant or the participant’s beneficiary. A copy of the current Plan Document, which was amended and restated on April 25, 2017, is available on the Board’s website, <https://deferredcompboard.ny.gov/>. The Plan is governed by Section 457 of the IRC, Section 5 of the New York State Finance Law, Parts 9000 – 9006 of the New York State Code of Rules and Regulations (the “Rules and Regulations”), and all other applicable federal, state, and local laws and regulations.

As of December 31, 2025, total Plan assets were \$45.4 billion. The investment options offered to Plan participants are diversified among asset classes and include a range of categories and styles. Participants are currently given a choice of directing their contributions to the investment options listed in Exhibit D.

The Plan also includes a Self-Directed Investment Account (“SDIA”) through which a participant may access mutual funds and ETFs beyond the Plan’s core menu of investment options. Investments in the SDIA, which holds approximately 0.8% of Plan assets as of 12/31/2025, are limited to 50% of a participant’s account balance in the Plan. Other rules regarding the Plan’s core menu of investment options as well as the SDIA may be obtained from the Plan’s website, www.nysdep.com. All assets of the Plan are held in trust to comply with Section 457(g) of the IRC.

The benefits provided to any participant under the Plan depend upon the aggregate amount deferred and the investment performance of the investment options in which such amounts are invested.

Plan participants may direct their future contributions to any of the investment options which are offered, may change their investment direction as to future contributions, and, subject to certain restrictions, may transfer their accumulated contributions and earnings from one investment option to another, on a daily basis. In addition, participants may take loans from their Plan accounts.

The following organizations currently provide administrative, custodian, trustee and investment services to the Fund:

Administrative Service Agency: Nationwide Retirement Solutions

Custodian/Trustee: BNY Mellon

Auditor: Citrin Cooperman

Independent Consultant: Callan LLC

Legal Counsel: Groom Law Group*

*The vendor selected for this procurement will be expected to provide an executed, formal conflict waiver relating to the Board's representation by Groom Law Group in this matter if that firm also has a relationship with Groom Law Group with its RFP response. Groom will be negotiating the contract on behalf of the NYS Deferred Compensation Board.

Target Date Fund Manager: T. Rowe Price

The Plan offers the T. Rowe Price Retirement (TRP) Funds as the target date fund investment option. The TRP Retirement Funds represent 15.8% of Plan assets, or \$7.2 billion, as of December 31, 2025 with 104,937 participants invested in the funds.

III. PRODUCT DESIGN REQUIREMENTS

The Board is seeking proposals from qualified investment management firms to provide Target Date Fund (TDF) management services to the Plan. The incumbent TDF manager, T. Rowe Price, is invited to rebid. Responding firms must offer a comprehensive TDF suite designed to deliver an appropriate level of risk across the full retirement lifecycle. The proposed TDFs should serve as a streamlined, diversified “one-fund” retirement savings solution for Plan participants. Funds must be offered in five-year increments, with each vintage aligned to a specific anticipated retirement year. Proposed TDFs may utilize primarily actively managed underlying strategies, a blend of active and passive strategies, or fully passive management implementation. This RFP does not seek proposals that incorporate embedded lifetime income solutions (e.g., annuities) or strategies

designed to include private market investments. The Board is seeking well-established, daily valued and daily liquid commingled investment vehicles for which the Plan is eligible, such as mutual funds or collective investment trusts. Separately managed account structures are not being considered.

The Board currently submits contracts to the Attorney General and Comptroller of the State of New York for review and approval. All other materials related to this RFP will be posted in the Procurement section of the website. The Office of the State Comptroller requires that the selected proposer(s) meet the definition of a Responsible Vendor as defined by the State (for more information see www.osc.ny.gov). The Board is required to conduct a review of a prospective contractor to provide reasonable assurances that the vendor is responsible. In addition, all contractors must abide by the State’s affirmative action considerations and the Plan’s Procurement Guidelines.

In accordance with subdivision 2 of section 5 of the New York State Finance Law, the Board is committed to ensuring the inclusion of MWBE Asset Managers and MWBE Financial and Professional Service Firms in requests for proposals or searches conducted by or on behalf of the Board with respect to the selection of service providers to the New York State Deferred Compensation Plan. 4. **Appendix B**, Diversity Statistics Grid
5. **Appendix C**, Vendor Responsibility Questionnaire
6. **Appendix D**, Application for a Competitively Bid Contract (ADM-28) attached hereto and must conform to the specifications set forth in this RFP.

Neither the Board nor the State will be liable for any costs of work performed in the preparation and production of a proposal or for any work performed prior to the execution of an effective contract. By submitting a proposal, each proposer agrees not to make any claims for or to have any right to damages because of any misunderstanding or misinterpretation of the specifications, because of any misinformation or lack of information or because such proposer is not selected to provide the services proposed.

To receive consideration, an electronic PDF copy must be sent **via email to Callan and the Board by 5pm Eastern time on May 4, 2026**. The evaluation of proposals will be made by the Board based on information supplied in the financial organization's proposal including, without limitation, the provision of references by the proposer and verification thereof and such other available information which the Board determines advisable to consult. Callan will be the independent consultant to the Board in the selection process.

B. Review by Investment Consultant, Board or Board Staff

Based on the criteria described above, Callan and Board staff will review and screen all bids and recommend finalists to the Board in August 2026. All finalists will receive notice of their selection.

C. Presentations to Board

The Board, Board Staff and/or Board advisors will conduct interviews of selected finalists at a future date to be determined, in June or July 2026.

D. Notification of Selected Financial Organization

It is anticipated that the selected financial organization will be notified by the Board in August 2026.

E. Contract Negotiation

The selection of the financial organization is contingent upon successful contract negotiations with the Board sufficiently in advance of the effective date of the engagement to permit the appropriate onboarding of the selected financial organization. The contract, a Financial Services Agreement, will be based on the Board's standard model contract, will govern the relationship between the financial organization and the Board, and will contain language regarding the terms and conditions listed below in the section marked "Contract Terms and Conditions."

F. Terms of Contract

The Board expects to enter into a contractual arrangement of up to eight years as permitted by the Rules and Regulations of the Board. The Board's Rules and Regulations permit the Board to provide two one-year extensions where such extension would be in the best interests of the Plan and Plan participants.

G. Contract Terms and Conditions

The written contract with the awarded financial organization shall be a standard State contract and shall include, without amendment, the "Standard Clauses for New York State Contracts" (Exhibit A).

If awarded a contract, the financial organization will be required to submit certain forms and comply with the following information:

Vendor Responsibility

The Board is required to conduct a review of each proposer to provide reasonable assurances that the vendor is responsible. Each proposer is required to complete a Vendor Responsibility Questionnaire and Form ADM-28 (see attached Appendices C and D). The questionnaire requires a certification by the contractor certifying to the accuracy of the information provided therein. Please note that all proposals must be submitted by the same legal entity that fills out the Vendor Responsibility Questionnaire and that would be the party to the contract with the Board, if selected.

The Board or designated Board staff will make a finding of responsibility or non-responsibility, considering any information that comes to its attention concerning the contractor's responsibility. The Board or designated Board staff will contact the contractor should potentially negative information come to their attention in the proposal. If the Board finds a contractor to be non-responsible, a written notice will be provided detailing the reason(s) for the preliminary determination and an opportunity to be heard before the determination is finalized.

A contractor is required to update their responsibility determination if a material event occurs during the contract term requiring an amendment.

Tax Certification

State Tax Law Section 5-a requires that certain contractors with the Board must certify whether or not the contractor, its affiliates, its subcontractors and affiliates of the subcontractors are required to register to collect State sales and compensating use tax. If selected, the contractor must also certify that it is so registered with the State Department of Taxation and Finance ("DTF").

The selected proposer(s) will be required to complete and sign, under penalty of perjury, the Contractor Certification Form ST-220-TD and submit a copy to the DTF, as well as the Contractor Certification to Covered Agency Form ST-220-CA and submit a copy to the Board. More information regarding this requirement and copies of the required forms are available online at the Board's website, <https://deferredcompboard.ny.gov> (under the Procurement Opportunities and Information tab). These completed forms need not be included in the RFP response.

Equal Employment Opportunity

All proposers must submit an "Equal Employment Opportunity (EEO) Policy Statement" on their letterhead and signed by an official of the financial organization. The "EEO Policy Statement" must be submitted before a contract can be awarded.

Non-Discrimination/Americans with Disabilities Act (ADA)

The Plan does not discriminate on the basis of race, color, national origin, sex, religion, age, disability, or sexual orientation in the admission to, access to, or employment in its program or activities. A reasonable accommodation will be provided on request. Any product(s) developed as a result of this RFP must be in a format that can be converted for use by individuals with disabilities to meet the reasonable accommodation standards established by the Americans with Disabilities Act.

Electronic Files or Data

Electronic files that are to be exchanged as a part of this proposal or as a product of the contract must conform to the requirements of the Plan, and the selected manager will be required to comply with the Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

Conflict of Interest

Proposers may be requested to provide evidence that the award of the contract from this RFP will not result in a conflict of interest with regard either to other work performed by the contractor, or a potential conflict of interest among specific contractor staff or subcontractors.

Indemnification

No proposer will be entitled to include a provision in the contract providing indemnification rights to the proposer. Any written contract with the awarded financial organization will contain a provision acknowledging that no indemnification will be provided to the financial organization. Any contract will, however, be required to provide for the proposer's indemnification of the Board, the Plan, Plan participants, employers participating in the Plan, the Trustee and the staff of the Board in connection with the services provided.

Publicity

Publicity includes, but is not limited to, news conferences, news releases, advertising, brochures, reports, and/or presentations at conferences or meetings. The inclusion of materials, the name of the Plan, or other such reference to the Plan or the Board in any document or forum is considered publicity. News releases or any other public announcements regarding work to be performed under the contract may not be released without prior written approval from the Board.

Freedom of Information Law and Proposer's Proposals

The purpose of the State's Freedom of Information Law ("FOIL"), which is contained in Public Officers Law Sections 84-90, is to promote the public's right to know the process of governmental decision making and to grant maximum public access to governmental records. Thus, a member of the public may submit a FOIL request for contracts awarded by the Board or for the proposals submitted to the Board in response to an RFP. After formal contract approval by the Office of the

State Comptroller, the proposal of the successful proposer and the proposals of the non-successful proposers are subject to disclosure under FOIL.

Pursuant to Section 87(2)(d) of Public Officers Law, the Board may deny access to those portions of proposals or portions of a successful proposer's contract which are trade secrets or submitted to the Board by a commercial enterprise or derived from information obtained from a commercial enterprise and which if disclosed would cause substantial injury to the competitive position of the subject enterprise. Please note that information, which you may claim as proprietary, copyrighted, or rights-reserved is not protected from disclosure under FOIL.

If there is information in your proposal that meets the definition set forth in Section 87(2)(d) of the Public Officers Law, you must inform the Board in a letter accompanying your proposal. This letter must contain the following information:

1. Identification by page, line, or other appropriate designation of that specific portion of the proposal which contains the information; **and**
2. A detailed justification of why disclosure of such information to the public under FOIL would cause substantial injury to your competitive position. Please note that the courts have ruled that a mere conclusory statement that certain information is a trade secret and that disclosure would cause injury to your competitive position is **insufficient** to protect it from disclosure under FOIL.

Failure to identify the information you believe should be protected by Section 87(2)(d) may result in such information being disclosed if a FOIL request is received.

It is your responsibility to contact an attorney with any questions about FOIL.

Relationship Between the Board and Contractor

The relationship of the selected financial organization to the Board shall be that of an independent contractor. In accordance with such status as an independent contractor, the contractor covenants and agrees to act consistent with such status: to neither hold itself out as, nor claim to be, an officer or employee of the Plan or the State by reason hereof; and not to, by reason hereof, make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Plan, including but not limited to workers' compensation coverage, unemployment benefits, social security coverage, or retirement membership credit.

Information Security

Any selected contractor is required to comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208). A contractor shall be liable for the cost associated with such breach

if caused by Contractor's negligent or willful acts or omissions of the Contractor's agents, officers, employees or subcontractors.

Iran Investment Policy

Any selected contractor is required to comply with the Board's Iran Investment Policy. A copy of the Policy is contained in Exhibit G.

Cancellation for Convenience

The Board retains the right to cancel the contract without reason provided that the contractor is given written notice of its intent to cancel. This provision should not be understood as waiving the Board's right to terminate the contract for cause or stop working immediately for unsatisfactory work but is supplementary to that provision.

Contract Termination Provision

The Board reserves the right to terminate any contract resulting from this RFP in the event it is found that the certification filed by the Contractor in accordance with New York State Finance Law Sections 139-j and 139-k was intentionally false or intentionally incomplete.

If a contractor fails to make the certifications required by Section 5-a of the New York State Tax Law, the contract cannot take effect. If during the term of the contract, the Tax Department or the covered agency discovers that a certification was false, then such false certification may subject the contractor to civil or criminal sanctions and a finding of non-responsibility for future procurements. Under certain circumstances, the statute provides that the contract shall be subject to termination if the covered agency determines that termination of the contract is in the best interest of New York State.

Assurances

The proposer warrants that it has carefully reviewed the needs of the Board as described in the RFP, its attachments and other communications related to the RFP, and that it has familiarized itself with the specifications and requirements of the RFP and warrants that it can provide such services as represented in the proposer's proposal. The proposer acknowledges and agrees that this RFP is subject to all applicable federal, state, and local laws, regulations, and policies, and the omission of or failure to reference any such law, regulation, or policy in this RFP shall not be construed as a waiver of any requirement or obligation imposed by such law, regulation, or policy. The proposer agrees that it will perform all of its obligations in the resultant contract in accordance with all applicable federal, State, and local laws, regulations and policies. The proposer affirms that the terms of the RFP and the attachments do not violate any contracts or agreements to which it is a party, and that its other contractual obligations will not adversely influence its capabilities to perform under the contract. Proposers may be requested to provide evidence that the award of the contract from this RFP will not result in a conflict of interest with regard either to other work

performed by the contractor, or to potential conflict of interest among specific contractor staff or subcontractors.

Force Majeure

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosion, actions of the elements, floods, or other similar causes beyond the control of the Contractor or the Board in the performance of the Contract which non-performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide the Board with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor the Board shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and the Board to be necessary to complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Rights Reserved

In order to serve the best interests of the Plan and its participants, the Board reserves the right to:

1. Postpone or cancel this RFP upon notification to all proposers.
2. Amend the specifications after their release with appropriate notice to all proposers.
3. Request proposers to present supplemental information clarifying their proposal, either in writing or in formal presentation.
4. Waive or modify minor irregularities in proposals received after prior notification to the proposer.
5. Reject any and all proposals received in response to this RFP.
6. The Board may ask for a best and final offer before, during or after the finalist interviews.
7. Negotiate all terms of the contract with the selected proposer, including fees, and make the selection contingent on successful negotiation of the contract.
8. Negotiate with the next highest rated proposer if negotiating a contract with the selected proposer(s) cannot be accomplished within an acceptable time frame. No proposer will have any rights against the Board or the Plan arising from such negotiations.
9. Make any payment contingent upon the submission of specific deliverables.

VI. CONDITIONS

Responding financial organizations are advised to become familiar with all conditions, instructions, and specifications governing this RFP, as well as the Rules and Regulations and the terms and provisions of the Plan (all of the foregoing hereinafter referred to as the "Conditions"). The Conditions shall be incorporated by reference into the final contract. Once a proposal has been

accepted, (i) the selected financial organization(s) shall not refuse to enter into a contract where such refusal is based on an objection to any of the Conditions and (ii) the selected financial organization(s) shall not be entitled to additional compensation, or to alter the terms of its proposal as a result of an objection to any of the Conditions. Responding financial organizations are further advised that the Board may refuse to accept any proposal not accompanied by a representation that the selected financial organization(s) (i) will provide written comments to the Board's legal counsel within seven days of receipt from the Board's counsel of a contract, with such comments complying with all terms required by this RFP; and (ii) will make available all resources necessary to ensure that an agreement acceptable to the Board is negotiated within 30 days of receipt from the Board's counsel of a contract, or such other shorter period that the Board may announce prior to selection. The Board reserves the right, to the extent permitted by law, to make all final determinations about whether a financial organization has adequately satisfied the Conditions. The Board shall not be deemed to have waived any requirement set forth in this RFP unless the Board agrees to such a waiver in writing.

NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE FOR-PROFIT BUSINESS ENTITY

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or officer must certify the questionnaire and the signature must be notarized.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the IT Service Desk at ITServiceDesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at www.osc.state.ny.us/vendrep/documents/questionnaire/definitions.pdf. These terms may not have their ordinary, common or traditional meanings. Each vendor is strongly encouraged to read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered. Each response must provide all relevant information which can be obtained within the limits of the law. However, information regarding a determination or finding made in error which was subsequently corrected is not required. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

EXHIBIT B

AFFIRMATIVE ACTION/EQUAL EMPLOYMENT OPPORTUNITY/ NON-DISCRIMINATION POLICY

Executive Order No. 6, regarding equal employment opportunities, states: "It is the policy of the State of New York that equal opportunity be assured in the State's personnel system and affirmative action provided in its administration, in accordance with the requirements of the State's Human Rights Law and the mandates of Title VII of the Federal Civil Rights Act, as amended. Accordingly, it is the responsibility of the State's Department of Civil Service to enforce the State's policy of ensuring full and equal opportunity for minorities, women, persons with disabilities and Vietnam era veterans at all occupational levels of State government." In keeping with this policy, the Board mandates compliance internally and for all organizations with which we conduct business.

This compliance includes all Federal and State laws, mandates, rules and regulations that seek to ensure full and equal opportunity for minorities, women, persons with disabilities and Vietnam era veterans and applies to all occupational levels of an organization's structure, including any groups hired as subcontractors.

(Under Review) Revision to existing subparagraph (2) to Part 542.1(d) of Article 15-A of the New York State Executive Law, (page 13 of the EEO regulations) states that all contractors doing business with the State of New York must submit an Equal Employment Opportunity Policy Statement which includes at a minimum, but is not necessarily limited to, the following actions identified in Part 542.1c(3) and any regulations adopted pursuant thereto:

"(i) The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts.

"(ii) The contractor shall state in all solicitations or advertisements for employees that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

"(iii) At the request of the contracting agency, the contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein."

The determination of contract award will include a review of evidence as supplied by each potential contractor regarding compliance with the aforementioned Affirmative Action/Equal Employment Opportunity/Non-Discrimination policy. Accordingly, bidders' proposals must include compliance with the above policy, and all contractors must agree that all presentations and materials will be free from discrimination based on race, color, religion, sex, national origin, sexual orientation or disability.

Exhibit C:

State of New York Deferred Compensation Plan Procurement Guidelines

The following guidelines apply to active procurements for services utilized by the New York State Deferred Compensation Plan. They are designed to ensure that procurements are conducted in a fair, and open manner. A copy of these guidelines will be given to employees of the New York State Deferred Compensation Board (employees of the Board) and employees of state entities and firms who have been designated by the Deferred Compensation Board to assist in procurements (designees). A copy of these guidelines will also be included in Requests For Proposal (RFPs) distributed to firms that intend to participate in procurements.

Violation of these guidelines by any employee of the Board may result in disciplinary action. Firms violating these guidelines may be disqualified from participating in procurements and may be subject to such other legal action as may be applicable. Every reasonable effort will be made to ensure compliance with these guidelines, but a minor deviation that does not impair the fairness and integrity of the procurement process will not require the invalidation of a contract award.

1. Employees of the Board and, if applicable, designees, must provide every firm that is interested in participating in a procurement with an equal opportunity to compete. No information may be given to any firm without being made available to all other interested firms. After bid documents (e.g. RFP) have been distributed, interested firms may have an opportunity to submit questions in writing to an individual who has been identified as the designated contact for the procurement (“designated contact”). A copy of all such questions, if applicable, along with written answers will be supplied to all interested firms.
2. The designated contact will be either a payroll employee or contract employee of the Board, or another designee as determined by the Board. The designated contact will coordinate interaction between employees of the Board, designees and employees of interested firms after bid documents have been distributed. Telephone calls, correspondence and requests for meetings must be directed to this individual unless designated otherwise in the bid procedure. The designated contact will be responsible for scheduling meetings with interested firms and will maintain a record of all such meetings.
3. After bid documents have been distributed, firms that intend to submit proposals should not contact any employee of the Board, member of the Deferred Compensation Board or employee of a company that has a business relationship with the Plan, unless the individual to be contacted is the designated contact. An exception to this guideline applies to firms that have a business relationship with either the Board or a related entity. However, any contact made by such firms with an individual other than the designated contact must be limited to that business and must not be related to an active procurement.

4. Bidders and potential bidders are required to obtain information relating to procurements only from employees of the Deferred Compensation Board or from the designated contact.
5. Interaction between employees of the Board or the designated contact and, an interested firm must be made by telephone, in writing or during regular office hours in the office of the Deferred Compensation Board, office of the firm or at a location determined by the designated contact.
6. During the procurement process no lunch, dinner, gifts or entertainment shall be accepted by an employee of the Board from an interested firm, except during a presentation, interview or similar session occurring at the office of the Board, office of an interested firm or at a place determined by the designated contact that includes a working meal.
7. A firm may not exert or attempt to exert any improper influence (as defined below) relating to that firm's proposal.
8. Evaluations of competing proposals will be conducted by an evaluation committee (the evaluation committee) appointed by the Board or a designee of the Board. Evaluations, recommendations and deliberations conducted by such committees shall be based solely on the merits of proposals, free from any improper influence. An "improper influence" means any attempt to achieve preferential, unequal, or favored consideration of a proposal based on considerations other than the merits of the proposal.
9. No employee of the Board, designee or designated contact may disclose the contents of any portion of an RFP to any person not employed by or not designated by the Board unless specifically authorized by an employee of the Board and only if it is determined that such disclosure will not impair the fairness and integrity of the procurement process.
10. The evaluation of competing proposals shall be conducted in accordance with evaluation and selection procedures documented in a procurement file to be established prior to the receipt of written proposals. Evaluation procedures shall be distributed by an employee of the Board or by the designated contact to members of the evaluation committee prior to the distribution of competing proposals to committee members.
11. During the evaluation phase of the procurement process, no employee of the Board or designee may disclose any part of a competing proposal to persons other than fellow committee members, Board members or other persons assigned to assist in the evaluation or selection process.

Office of Employee Relations/Statewide Labor-Management Committees Policy and Guidelines for Implementing the New York State Procurement Lobbying Law Sections 139-j and 139-k of the New York State Finance Law

Revised 2/2015

I. Overview

Chapter 1 of the Laws of 2005 (the “Law”), which amended the Legislative Law (the “Lobbying Act”) and the State Finance Law, was enacted on August 23, 2005 by Governor George E. Pataki. The Law regulates attempts to influence state and local Governmental Entity procurement contracts in order to increase transparency and accountability in New York State’s procurement process. The Law was subsequently modified in 2005, 2006, 2007, 2009 and 2010.

Generally, the Law:

- Makes the Lobbying Act applicable to attempts to influence procurements and contracts once the procurement process has been commenced by a State agency, unified court system, State legislature, public authority, certain industrial development agencies and local benefit corporations;
- Requires the above-mentioned governmental entities to record all contacts made by lobbyists and contractors about a governmental procurement so that the public knows who is contacting governmental entities about procurements;
- Requires governmental entities to designate the persons who may be contacted relative to the governmental procurement by that entity in a restricted period;
- Authorizes the New York State Joint Commission on Public Ethics (JCOPE) (f/n/a the NYS Commission on Public Integrity) to impose fines and penalties against persons/organizations engaging in impermissible contacts about a governmental procurement and provides for the debarment of repeat violators;
- Directs the Office of General Services to disclose and maintain a list of non-responsible bidders pursuant to the Law and those who have been debarred and publish such list on its website;
- Requires the timely disclosure of accurate and complete information from offerers with respect to determinations of non-responsibility and debarment;
- Expands the definition of lobbying to include attempts to influence gubernatorial or local Executive Orders, Tribal–State Agreements, and procurement contracts;
- Modifies the governance of JCOPE to provide that opinions of JCOPE shall be binding only on the person to whom such opinion is rendered;
- Increases the monetary threshold which triggers a lobbyist’s obligations under the Lobbying Act from \$2,000 to \$5,000; and
- Establishes the Advisory Council on Procurement Lobbying.

**Office of Employee Relations/Statewide Labor-Management Committees
Policy and Guidelines for Implementing the New York State Procurement Lobbying
Law Sections 139-j and 139-k of the New York State Finance Law**

Primarily, the Law regulates two related aspects of procurements: (i) activities by the business and lobbying community seeking procurement contracts (through amendments to the Legislative Law) and (ii) activities involving governmental entities establishing procurement contracts (through amendments to the State Finance Law).

II. Applicability of the Policy and Guidelines (hereinafter “Policy”)

The Office of Employee Relations, in addition to its own procurement activities, provides administrative and contracting services for the Statewide Joint Labor-Management Committees. This policy applies to all of the above entities (referred to in the policy collectively as “the agency”).

In general, this policy applies to every procurement involving an estimated annualized expenditure in excess of \$15,000 for:

- Commodity;
- Service;
- Technology;
- Public work;
- Construction;
- Revenue contract;
- The purchase, sale or lease of real property; or
- The acquisition or granting of other interest in real property.

Procurements under \$15,000 are not covered by changes to the Law or this policy.

Contacts between employees of the agency and an Offerer are restricted at the point in time when the agency issues its first written document soliciting a response from Offerers which is intended to result in a procurement contract (see State Finance Law § 139-j (1) (f)). This is referred to as the “Restricted Period” as used in this policy. Contacts between Offerers and the agency prior to the Restricted Period of procurement are acceptable. Therefore, communications between Offerers and the agency during the preparation of specifications, bid documents, RFPs, IFBs, are not governed by State Finance Law Sections 139-j and 139-k. Communications at this stage, however, are governed by the provisions set forth in State Finance Law Sections 163 and 163-a and other applicable law, including registration and reporting requirements of the Lobbying Act.

Offerers and agency personnel may communicate prior to the Restricted Period in the form of a Request for Information (RFI) by the agency and the response thereto by an Offerer. RFIs are generally used as a means to collect information upon which to base a decision by an agency to proceed with procurement. RFIs are not a tool employed to award a contract.

**Office of Employee Relations/Statewide Labor-Management Committees
Policy and Guidelines for Implementing the New York State Procurement Lobbying
Law Sections 139-j and 139-k of the New York State Finance Law**

The Law and this policy apply to sole source and single source contracts, in addition to competitive procurements. Amendments authorized under the terms of a contract as it was finally awarded or approved by the Comptroller are not subject to the Restricted Period. Supplements to a contract incorporating other amendments, renewals, extensions or any other material change in a contract resulting in a financial benefit to the Offerer are subject to the Restricted Period.

III. Permissible Contacts During the Restricted Period

The “Restricted Period” begins with the earliest written notice, advertisement or solicitation of a request for proposal, invitation for bids, request for services, or solicitation of proposals, or any other method for soliciting a response from Offerers with regard to a procurement opportunity or contract. This period ends with the final procurement decision or contract award and, if applicable, approval by the State Comptroller. However, the negotiation of a contract by an Offerer who has been tentatively awarded a contract is permitted and would need to be recorded as a Contact in the procurement record.

The following represent instances where communication with someone other than the designated Contact person(s) for a procurement may be necessary:

- Submission of a written bid, proposal or response to a solicitation intending to result in a procurement contract;
- Submission of written questions by a method set forth in the solicitation when all written questions and responses are to be provided to all Offerers who have expressed an interest in the solicitation;
- Participation in a conference, demonstration or other means for exchange of information in a setting open to all potential bidders provided for in the solicitation;
- Complaints by an Offerer to office of general counsel of the procuring agency where the designated person for the procurement contract of the agency fails to respond in a timely manner, provided that such written complaints become part of the procurement record;
- Negotiations with the agency after a tentative award;
- Debriefings about a procurement contract award;
- Protests, appeals or other review proceedings to the agency conducting the Governmental Procurement seeking a final administrative determination or in a subsequent judicial proceeding;
- Complaints of alleged improper conduct in a Governmental Procurement to the attorney general, inspector general, district attorney or court of competent jurisdiction;

**Office of Employee Relations/Statewide Labor-Management Committees
Policy and Guidelines for Implementing the New York State Procurement Lobbying
Law Sections 139-j and 139-k of the New York State Finance Law**

- Protests, appeals or complaints to the State Comptroller during the process of contract approval provided that the State Comptroller makes a record of such communications and any responses thereto to keep in the procurement record;
- Communications between Offerers and the agency that solely address a responsibility determination of the Offerer being made by the agency;
- Communications relating to a Governmental Procurement made by certain preferred source providers except for communications which attempt to influence the issuance or terms of the specifications that serve as the basis for bid documents, requests for proposals, invitations for bids, or solicitations of proposals, or any other method for soliciting a response from Offerers intending to result in a procurement contract with the agency; and
- Communications from the agency exercising an oversight role in a Governmental Procurement with Offerers regarding the status of the review, oversight or approval of that Governmental Procurement.

Impermissible contact with the agency occurs when the Offerer contacts a person in the agency who is not the designated contact person for the procurement in an attempt to influence a procurement. The obligations under the Law and this policy are activated when an Offerer or anyone working on behalf of the Offerer has any oral, written, or electronic communication with the agency that a reasonable person would believe is intended to influence a procurement being made by the agency.

IV. Agency Requirements

This policy has certain requirements that apply to the agency, while other requirements apply to Offerers. The agency will collect certain information about a person or organization contacting us about a procurement in an attempt to influence such procurement during the Restricted Period. In addition, the agency will obtain information from Offerers about any findings by any Governmental Entity of non-responsibility made within the previous four years and if the finding of non-responsibility was due to (1) engaging in impermissible contacts with a Governmental Entity or (2) the intentional provision of false or incomplete information to a Governmental Entity.

This information will be solicited in the initial bid documents on forms developed for this purpose. If any employee of our agency is contacted, that employee must record the contact, obtaining the following specific information for each contact:

- Name of Person and Organization
- Address
- Telephone Number
- Place of Principal Employment
- Occupation

Office of Employee Relations/Statewide Labor-Management Committees
Policy and Guidelines for Implementing the New York State Procurement Lobbying
Law Sections 139-j and 139-k of the New York State Finance Law

- Record whether the person/organization making the contact was the Offerer or was retained employed or designated by, or on behalf of, the Offerer to appear before or contact the agency regarding the procurement.

These records of contact will be included in the procurement record for the procurement contract using the agency's "Record of Contact" form, and must be forwarded to the Contract Manager in the agency's Administration Unit.

It is the policy of the agency to make a determination of responsibility before awarding a procurement contract to an Offerer. In addition to responsibility factors such as financial and organizational capacity, legal authority, integrity, and past performance, this policy requires us to take into consideration any violation of the permissible contact requirements of State Finance Law Section 139-j and the disclosure requirements of State Finance Law Section 139-k. A determination of non-responsibility will be made if it is found that the Offerer knowingly and willfully made an impermissible contact or failed to timely disclose accurate and complete information or otherwise cooperate in providing the information required by State Finance Law Section 139-k.

This agency is precluded from awarding a procurement contract to an Offerer that has been determined to be non-responsible because of a knowing and willful violation of the prohibitions of State Finance Law Section 139-j against impermissible contacts during the Restricted Period, unless the agency finds that an award is necessary to protect public property or public health or safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. An Article of Procurement is defined as a commodity, service, technology, public work, construction, revenue contract, purchase, sale or lease of real property or an acquisition or granting of other interest in real property, that is the subject of a Governmental Procurement.

Furthermore, if an Offerer has a second knowing and willful violation within four years of a previous determination of non-responsibility, the Offerer can be debarred for four years.

Communications received by the agency from legislative staff or members of the State Legislature when those persons are acting in their official capacity are not considered "Contacts" during the Restricted Period and thus do not have to be recorded pursuant to the State Finance Law. Also, communications that a reasonable person would infer are not intended to influence a procurement by the agency do not have to be recorded.

For purposes of this policy, the agency will include a record of contacts about a particular procurement and determination of non-responsibility (if any) in the procurement file where it will remain as a part of the procurement record. The procurement file will be retained for that period of time already designated under the

Law Sections 139-j and 139-k of the New York State Finance Law**

agency's Records Retention Policy, currently six (6) years after the expiration of the related contract, or final payment, whichever is later.

V. Offerers Requirements and Responsibilities

Offerers have certain requirements under the State Finance Law and under this policy if they, or their designated representative, choose to respond to a Request for Proposals or attempt to influence a procurement. Under the Law and this policy, an Offerer or his/her representative is generally prohibited from contacting anyone other than the designated contact persons at this agency with regard to a procurement during the Restricted Period. Offerers are also required to disclose whether there has been a finding of non-responsibility with regard to their compliance under the law within the past four years. Furthermore, an Offerer must affirm that they understand and agree to comply with this policy relating to permissible contacts during a procurement and certify that all information provided to the agency is complete, true and accurate.

If an Offerer is found to have engaged in impermissible contacts with this agency, the Offerer will be denied a contract under this policy. However, this denial does not preclude the agency from awarding such Offerer another procurement contract if this non-responsibility determination is the first such determination against the Offerer in four years.

VI. Violations of This Policy

Alleged violations of this policy will be reviewed by the agency's Ethics Officer. The Ethics Officer shall immediately investigate the allegation and if sufficient cause exists to believe that the allegation is true, the Ethics Officer shall give the Offerer reasonable notice that the investigation is ongoing and an opportunity to be heard. The Offerer's response to the alleged violation will become a part of the investigative or review record and will be given due consideration by the agency during the review or investigation.

VII. Questions About This Policy

Questions about this policy should be directed to the DFA Contract Manager in OER's Administration Unit at 518-473-3467.

Exhibit G:

Iran Investment Policy

In conformance with the New York State Iran Divestment Act of 2012 (the “Act”), the New York State Deferred Compensation Board (the “Board”) hereby establishes the following policy in relation to investments in persons identified by the New York State Office of General Services (“OGS”) to be engaged in investment activities in Iran, as defined by the Act.

The Act directs OGS to “develop or contract to develop, using credible information available to the public, a list of persons that it determines engages in investment activities in Iran” as defined by the Act. A person that is identified on the OGS list shall not be deemed to be a responsive bidder or offerer to a State procurement. The first listing of “Entities determined to be non-responsive bidders/offers pursuant to the New York State Iran Divestment Act of 2012” (the “OGS list”) was made available on August 10, 2012.

The Act defines a “person” as:

(1) A natural person, corporation, company, limited liability company, business association, partnership, society, trust, or any other nongovernmental entity, organization, or group.

(2) Any governmental entity or instrumentality of a government, including a multilateral development institution, as defined in Section 1701(c)(3) of the International Financial Institutions Act (22 U.S.C.262r(c)(3)).

(3) Any successor, subunit, parent entity, or subsidiary of, or any entity under common ownership or control with, any entity described in subparagraph one or two of this paragraph.

The Board shall direct each investment manager of an investment offering provided to the participants in the New York State Deferred Compensation Plan (the “Plan”) that is subject to a specific set of investment guidelines established by the Board (a “covered investment manager”) not to invest in any person included on the OGS list of non-responsive bidders/offers (which list includes any other person covered by the Act, even if not specifically named on the OGS list). Covered investment managers will include all separate account managers retained to invest the assets of the Plan whose investment mandate requires active (as opposed to passive investment) of Plan assets, including, without limitation, the active investment managers of the Plan’s International Equity Fund and the Stable Income Fund. This policy will not apply to regulated mutual funds that are included as a Plan investment offering or to separate accounts whose mandate is to replicate a published index.

The Board shall transmit the OGS list to each covered investment manager and direct each covered investment manager to determine if the portfolio it is managing on behalf of the Board (the “Plan portfolio”) contains any securities issued by a person included on the OGS list. The Board will direct the covered investment manager to refrain from investing in any security issued by a person included on the OGS list. In addition, the covered investment manager will be required to inform the Board of any currently held securities issued by a person included on the OGS list no later than ten days after such list is provided to the covered investment manager. The covered investment manager will be required to sell all securities issued by a person included on the OGS list and held in the Plan portfolio in a reasonable period of time that will not be disruptive to the Plan portfolio. Such reasonable period shall not be more than 90 days after

informing the Board of the securities issued by an entity on the OGS list.

The Act requires OGS to update the list every 180 days. The Board will inform each covered investment manager of any additions to and deletions from the OGS list each time that OGS publishes a new list. The Board will direct the covered investment manager to refrain from investing in any person that is added to the OGS list. The covered investment manager will be permitted to invest in securities issued by a person that has been removed or deleted from the OGS list. The covered investment manager will be required to inform the Board of any currently held securities issued by persons that have been added to the OGS list no later than ten days after such list is provided to the covered investment manager. The covered investment manager will be required to sell all securities issued by such person that are held in the Plan portfolio in a reasonable period of time that will not be disruptive to the Plan portfolio. Such reasonable period shall not be more than 90 days after informing the Board of the securities issued by a person on the OGS list.

Investment managers subject to the Policy should note that the OGS list may not specifically enumerate each person who is a “successor, subunit, parent entity, or subsidiary of, or any entity under common ownership or control with” the person named on the OGS list. However, all such affiliated or associated persons are covered by the Policy and the Act, and it is the responsibility of the asset manager to determine affiliated and associated status with a person named on the OGS list before making an investment in a security.

This policy was initially adopted by the Board on September 14, 2012. The Policy was reviewed and updated on August 23, 2013.
